

FOR IMMEDIATE RELEASE:

VIRIDIAN® SEEKING ADDITIONAL R&D TALENT

Minneapolis, MN—June 7, 2016

Viridian® is seeking electrical engineering talent to add to the company's full-time product development team. Rapid growth and an ever-expanding product development plan has created a great opportunity for a talented electrical engineer to become a key player in the design of Viridian's next generation of products. This is a hands-on position responsible for research, design, and continuation engineering.
