

FOR IMMEDIATE RELEASE:

DON'T MISS VIRIDIAN'S SHOOTING SIMULATOR AT 2014 NRA SHOW BOOTH 3623

Minneapolis, MN—April 22, 2014

Viridian is sure to have one of the most talked about exhibits at the 143rd NRA Annual Meetings and Exhibits. Stop by booth 3623 and experience a state-of-the-art, interactive shooting simulator – the Viridian Demo Lab. Draw a pistol from a TACLOC ECR Instant-On holster. The Viridian laser will instantly ignite. No buttons, no squeezing, no doubt. See how utilizing a laser improves your shooting on one of several challenging courses of fire. Even challenge a friend to a head-to-head battle.

If that isn't reason enough to visit Viridian, they will be selling their complete line of industry-leading green lasers, red lasers, and taclights at special NRA show pricing. There is no better time to buy your Viridian.

As a way of saying thanks to our amazing fans, enter for a chance to win a C5L! This remarkable product is the pinnacle of green laser and taclight design. Features include a 532 nm green laser, Radiance Taclight, six modes of operation including strobe, ambidextrous activation buttons, and ECR Instant-On.
