

FOR IMMEDIATE RELEASE:

VIRIDIAN GREEN LASER SIGHTS ANNOUNCES ADDITIONS TO THEIR OPERATIONS TEAM

GREEN LASER SIGHTS

Minneapolis, MN—11/17/11 Viridian Green Laser Sights is proud to announce two new additions to their Operations Team.

Tim Ellis has been hired as VP of Operations. Tim holds a BS in Industrial Technology with a concentration in Manufacturing Engineering from the University of Wisconsin-Stout and a Mini MBA from the Carlson School of Management - University of Minnesota. Tim brings experience with several high tech electronics manufacturing companies who serve the automotive, aviation, commercial, industrial and consumer markets. As VP of Operations, Tim will be focused on growing Viridian's manufacturing and operations capabilities. Tim's strong manufacturing and supply chain background, along with his personal passion and interest in firearms and hunting bring a great addition to Viridian. Tim can be reached at Tim@viridiangreenlaser.com.

Dan Zaleskas has been hired as Viridian's Junior Design engineer. Dan Zaleskas graduated from Minnesota State University in 2010 with a BS in Mechanical Engineering. His work experience includes electronics manufacturing, and he has an interest in and experience with amateur laser construction. As Junior Design Engineer, Dan will be focused on holster design, particularly the hot new TacLoc line of locking Kydex holsters. Dan may be reached at Dan@viridiangreenlaser.com.

ABOUT VIRIDIAN GREEN LASER SIGHTS

Viridian Green Laser Sights is the nation's fastest growing laser sight manufacturer. Headquartered in Minneapolis, Minnesota, Viridian Green Laser Sights is devoted to utilizing cutting edge laser technology to offer compact, powerful, green lasers, for military, law enforcement, and civilian usage. While not the original developer of green laser technology, Viridian Green Laser Sights was the first company to offer a compact green laser sight for use on pistols. Viridian Green Laser Sights, and its patent pending technology, make them the world's leading green laser sight manufacturer. The company prides itself on offering the brightest and highest quality laser sights available. Viridian Green Laser Sights are designed and built in the USA.
