

FOR IMMEDIATE RELEASE:

NEW GREEN LASER FOR SPRINGFIELD XDS FROM VIRIDIAN®

Minneapolis, MN – December 8, 2014

Viridian® has released the industry's only trigger guard mounted green laser for the Springfield Armory XDS. It is part of Viridian's growing REACTOR® series. Only the REACTOR® Series from Viridian offers ECR® INSTANT-ON™, includes a free holster, has a bi-color battery indicator, and multiple modes of operation.

“Our customers spoke and we listened.” said Viridian President Brian Hedeem. He continued, “Our rail-mounted C5L fits the XDS perfectly. Yet our fans wanted the smallest, lightest green laser possible for their XDS and we delivered.”

The Viridian R5-XDS is a complete carry package with a belt holster included. Constructed of leather and polymer, it offers the best of both worlds. Additional holster options are available from many leading holster manufacturers.

The R5-XDS is now shipping. Contact major distributors or call Viridian at 1-800-990-9390 to order.

ABOUT VIRIDIAN GREEN LASER SIGHTS

Viridian® is the fastest growing laser sight manufacturer in the nation, responsible for a number of industry-leading product innovations in green and red laser sights, taclights, ECR™ Instant-On™ technology, TacLoc® holsters, and shooting accessories. Headquartered in Minneapolis, Minnesota, Viridian® is devoted to utilizing cutting-edge technology to offer compact, powerful self-defense products for the civilian, military, and law enforcement markets. Viridian products are designed and built in the USA.
