

FOR IMMEDIATE RELEASE:

VIRIDIAN C5L FEATURED ON THIS WEEK'S GUNS & AMMO TV

Minneapolis, MN — 9/5/12— The Viridian C5L is featured on this week's Guns & Ammo TV. In this week's Police Perspective segment, host Jason Teague discusses low light tactics and how helpful a weapon mounted laser/light can be at protecting yourself from the dangers of the dark.

The Viridian C5L is the ideal low light accessory. With a blinding 100 lumen tactical light paired with an always-visible green laser, the C5L is a must have for any concealed carry or home defense railed pistol. Universal fit, automatic activation (ECR Technology) and many holsters available make the C5L a must have.

For more information on Viridian's full line of lasers, tactical lights, holsters, and shooting accessories please visit <http://www.ViridianGreenLaser.com>. Tune in to Guns & Ammo this week to see the C5L in action. Channel listings and show times can be found here: <http://www.gunsandammo.com/tv/guns-ammo-tv/showtimes/>

ABOUT VIRIDIAN GREEN LASER SIGHTS

Viridian Green Laser Sight is the nation's fastest growing laser sight manufacturer. Headquartered in Minneapolis, Minnesota, Viridian Green Laser Sight is devoted to utilizing cutting edge laser technology to offer compact, powerful, green lasers, for military, law enforcement, and civilian usage. While not the original developer of green laser technology, Viridian Green Laser Sight was the first company to offer a compact green laser sight for use on pistols. Viridian Green Laser Sight, and its patent pending technology, make them the world's leading green laser sight manufacturer. The company prides itself on offering the brightest and highest quality laser sights available. Viridian Green Laser Sights are designed and built in the USA.
