

FOR IMMEDIATE RELEASE:

## VIRIDIAN GREEN LASER SIGHTS SEEKS DESIGN ENGINEER

Minneapolis, MN—1/14/2011 Viridian, the recognized leader in innovative, rail mounted, green laser sights, tactical lights and holsters, is seeking qualified candidates for a Design Engineer at its Minneapolis, MN location.

The new engineer joining our experienced team, will be responsible for all matters related to the product design to include: research and development, design, improvement, problem solving, testing, procedures, internal correspondence and documentation.

Bachelor's degree in Mechanical Engineering and a minimum of four years experience required. Familiarity with automatic pistols and small arms is a plus. The ideal candidate will be highly proficient with SolidWorks and possess knowledge of manufacturing, machining, finishing and assembly methods/processes.

Additionally, because Viridian products are on the cutting edge of technology, the ideal candidate will be able to think creatively to further advance the Viridian line of green laser sights.

If you are seeking a fast paced, high energy, challenging, and rewarding opportunity, please send your resume and cover letter to: [Jobs@ViridianGreenLaser.com](mailto:Jobs@ViridianGreenLaser.com)

### ABOUT VIRIDIAN GREEN LASER SIGHTS

Viridian Green Laser Sights is the nation's fastest growing laser sight manufacturer. Headquartered in Minneapolis, Minnesota, Viridian Green Laser Sights is devoted to utilizing cutting edge laser technology to offer compact, powerful, green lasers, for military, law enforcement, and civilian usage. While not the original developer of green laser technology, Viridian Green Laser Sights was the first company to offer a compact green laser sight for use on pistols. Viridian Green Laser Sights, and its patent pending technology, make them the world's leading green laser sight manufacturer. The company prides itself on offering the brightest and highest quality laser sights available. Viridian Green Laser Sights are designed and built in the USA.
