

FOR IMMEDIATE RELEASE:

VIRIDIAN GREEN LASER SIGHTS FEATURED ON GUNS & GEAR TV

GREEN LASER SIGHTS

Minneapolis, MN—11/5/10 Viridian Green Laser SightS are featured on this week's episode of Guns & Gear on VERSUS and VERSUS HD. This week's episode airs on Saturday November 6th at 8:00am (EST).

On this week's episode, host Ryan Gresham will discuss and demonstrate how to utilize a powerful Viridian C5L green laser/light combo in home defense situations. A Viridian C5L can be invaluable in high-stress situations by accurately projecting a gun's front sight onto a target, enhancing visibility in dark rooms or hallways, and intimidating hostile intruders.

The Viridian C5L incorporates a daytime visible green laser and high output 100 lumen white light all in a rugged package that is small enough for today's sub-compact pistols. This highly anticipated product is now shipping to dealers and distributors. For more on this product, or to find a stocking retailer near you, please visit: www.ViridianGreenLaser.com.

ABOUT VIRIDIAN GREEN LASER SIGHTS

Viridian Green Laser SightS is the nation's fastest growing laser sight manufacturer. Headquartered in Minneapolis, Minnesota, Viridian Green Laser SightS is devoted to utilizing cutting edge laser technology to offer compact, powerful, green lasers, for military, law enforcement, and civilian usage. While not the original developer of green laser technology, Viridian Green Laser SightS was the first company to offer a compact green laser sight for use on pistols. Viridian Green Laser SightS, and its patent pending technology, make them the world's leading green laser sight manufacturer. The company prides itself on offering the brightest and highest quality laser sightS available. Viridian Green Laser SightS are designed and built in the USA.
